2025 Trifecta 24RF CS 3.0*Trifecta C*For a feature rich entry

level pontoon that isn't entry-level, check out the Trifecta C-Series. Compare to anyone else's pontoon & you will find the yardstick we use is ours exclusively. Quality construction incorporating many of the same applications and materials found in our top of the line models are utilized in this series. Spacious 10 foot bimini tops, 16" on-center cross members, Bluetooth compatible stereo and many more items you may find in the options column on other brands are all standard on our C-Series boats.
